

Internet Services

Our expanded Web site at www.hpr.org offers you access to a wide range of online services, including:

- Searchable primary care and specialist physician directories that make finding an HPR doctor quick and easy.
- Our *Preferred Drug List*, which shows all of the medications included in your prescription coverage.
- A list of the maintenance drugs that can be dispensed in larger quantities than the standard 30-day supply.
- Direct online access to Express Scripts, our Internet pharmacy service.
- Frequently updated health and wellness resources, including *Knowledgebase*, an extensive catalog of online medical information.
- Information about HPR's health education programs, designed to help members with specialized needs take responsibility for their wellness.
